Fraser Valley CPA Association Announces Scholarship Award Recipients

Congratulations!

The Fraser Valley Chartered Professional Accountants have selected their fifth round of local scholars. Three outstanding area University Seniors who displayed academic achievement, extra-curricular participation and community service will each be awarded a \$1,000.00 scholarship to support their respective accounting educations.

Funded equally by the Fraser Valley CPA Association and the CPA Education Fund, the scholarship program encourages local students to continue their education in the accounting field. The Association is proud to support its local community and educational institutions. This scholarship is open to 4th year accounting students at Kwantlen Polytechnic University, Trinity Western University and University of the Fraser Valley.

2018 Winners: Kwantlen – Patrick San Mateo

TWU – Kaleb Denham

UFV – Andrew Morris

We wish we could give more scholarships as all the applicants are amazing young people. We are looking forward to the next group of students – make sure to apply by the February 28, 2019 deadline. For more information please see our website www.fvcpaa.ca.
