## **Fraser Valley CPA Association Announces Scholarship Award Recipients**

### **Congratulations!**

The Fraser Valley Chartered Professional Accountants have selected their tenth round of local scholars. Three outstanding area University Seniors who displayed academic achievement, extra-curricular participation and community service will each be awarded a \$1,000.00 scholarship to support their respective accounting educations.

Funded equally by the Fraser Valley CPA Association and the CPA Education Fund, the scholarship program encourages local students to continue their education in the accounting field. The Association is proud to support its local community and educational institutions. This scholarship is open to accounting students registered for their 4th year at Kwantlen Polytechnic University, Trinity Western University and University of the Fraser Valley.

**2019 Winners:**

- KPU – Dilsharn Kaur Mokha
- TWU – Tara Stockton
- UFV – Emilia Snyder

We received many outstanding applications and we would like to thank all the students who applied. Our scholarship committee was impressed with the caliber of students pursuing degrees in the accounting field.

The FVCPAA remains committed to supporting young aspiring CPAs as they further their education and work towards their career goals. We are already looking forward to the next group of students – make sure to apply by the February 28, 2020 deadline.
