

2020 SCHOLARSHIP APPLICATION

Name: _____ Student ID #: _____

Phone Number: _____ Email: _____

Post-Secondary Institution: _____

Please answer the following questions:

1. Will you have completed all of the prerequisites for the CPA and a bachelor's degree by the end of your fourth year? Y or N
2. Do you intend to enter the CPA program immediately upon graduation? Y or N
3. Have you received any other accounting scholarships (e.g. CPAEF) during your university career? Y or N. If yes, please list:

4. Include a 1-page letter with this application form to:

- a) Introduce yourself; explaining what you have done, your plans and why you feel you should be awarded the scholarship.
- b) Discuss why you want to pursue accounting.
- c) Describe your extracurricular and volunteer activities.

5. Include two letters of reference with your application.

(The references must not be a relative and can include your professor.)

The Scholarship Committee considers other factors besides academic achievement in selecting successful applicants. The Committee is looking for the better-than-average student who is also well-rounded in their other interests and activities. Written references from teachers or community people or leaders are required. Applicants who do not supply transcripts and references may have their applications denied or downgraded.

Please scan a copy of your most recent transcript and resume. Then email your letter, application, resume and transcript to your institution's contact:
