Leadership, Legacy and the Future of the CPA Profession

November 19, 2026 | Clarion Hotel & Conference Centre,
Abbotsford

Join us for a day of learning, connection, and conversation at the FVCPAA 14th annual conference. This year's theme explores the evolving role of the CPA balancing legacy and continuity with the need to adapt, innovate, and lead in a changing professional landscape, covering topics such as leadership, succession, career development, and emerging trends.

A Message from Our President

The FVCPAA Annual Conference has always been an important opportunity for CPAs in the Fraser Valley to come together, not just to learn, but to connect, share experiences, and support one another.

As our profession continues to evolve, I believe it's more important than ever to create a space for conversations around leadership, transition, and what the future of our work looks like. This year's conference is designed with that in mind, bringing together perspectives from across private practice, industry, and our broader community.

FVCPAA is about more than professional development. It's about building a strong, connected local network. Your support helps us continue to offer meaningful programming while keeping these opportunities accessible for our members.

Thank you for being part of this community and for supporting its continued growth.

Agatha Cluff

President, Fraser Valley CPA Association

Hours of PD Delivered

Our Annual Conference

Now in its 14th year, a full day of learning, connection, and conversation for Fraser Valley CPAs.

The FVCPAA Annual Conference is a cornerstone event for the local CPA community. Each year, the conference brings together 100+ professionals from across the Fraser Valley for a full day of learning, connection, and conversation. With multiple speakers, the program offers a balanced mix of professional development, leadership insights, and relevant industry perspectives for both private practice and industry CPAs. Each participant receives 7 hours of professional development credit.

Who Attends

Our attendees include public practice professionals from small to mid-size firms, industry leaders such as Controllers, CFOs, and finance professionals, CPAs in nonprofit and public sector roles, early-career professionals and emerging leaders, and experienced practitioners and firm partners from across the Fraser Valley.

Why Sponsorship Matters

As the cost of delivering high-quality events and programming continues to increase, FVCPAA is evolving its approach to ensure we can continue to offer meaningful, accessible experiences for our members. Rather than increasing membership or event fees, we are introducing a thoughtful sponsorship model to help offset these costs.

Offsetting Rising Costs

Our sponsorship model helps cover the increasing expenses of high-quality events and programming, ensuring we can maintain accessible experiences without significantly raising membership or event fees.

Value-Aligned Partnerships

Our approach aligns with CPA professional values, focusing on genuine partnerships that foster learning, connection, and community strength, not just traditional advertising.

Investing in Member Experience

Sponsorship enables FVCPAA to invest in stronger programming, enhanced event experiences, and new opportunities for members to connect, ensuring continued accessibility and value for all.

Sponsorship Opportunities

Presenting Sponsor

\$2,500

1 Available

- Exclusive recognition as Presenting Sponsor
- Logo featured prominently on conference registration page, program and agenda
- Media Release announcing sponsorship
- Speaking opportunity during the conference welcome
- Opportunity to introduce speaker
- Verbal recognition at the opening and closing of the conference

Supporting the Next Generation of CPAs

The Fraser Valley CPA Association is proud to support the future of the profession through our annual scholarship program, delivered in partnership with CPABC.

Each year, FVCPAA awards three scholarships to local students pursuing their CPA designation, recognizing academic achievement, leadership, and commitment to the profession.

2026 Scholarship Recipients

Pranav Garg

Kwantlen Polytechnic University

Amy Straforelli

Trinity Western University

Sarrah Patla

University of the Fraser Valley

Why This Matters

By supporting FVCPAA, you are contributing to more than just a single event. You are helping invest in the next generation of CPAs and strengthening the future of the profession in our region.

Your support enables us to continue offering scholarships, deliver meaningful programming, and build a connected, thriving CPA community in the Fraser Valley.

Together, we are supporting both today's professionals and tomorrow's leaders.
